I killed a man in self-defense when I was sixteen. Not something a girl wants to brag about. My dad wanted to lock me up in the nut house, but Mom sent me packing to my great aunts in St. Charles, IL. Theyre ancient druid priestesses, and they make me look like a pacifist. Id barely unpacked before the aunts sent me to find the stolen hellhounds. Without the hounds to herd them to the underworld, the souls of the dead are flocking to the cities in murders of crows. If theyre still hanging around after three days, theyll turn into flesh eating, brain feasting zombies. Van, an annoying but uber-hot Fey Prince, joins us in the hunt to find the hounds before the zombies overrun St. Charles and turn the cities into cemeteries. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
