

Deserter: A Hidden History of the Second World War

By Charles Glass

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Deserter: A Hidden History of the Second World War, Charles Glass, A poet, a gangster and an agent of the Resistance; 'Deserter' details three astonishing lives shaped by the decision to flee during WWII. During the Second World War, the British lost 100,000 troops to desertion, and the Americans 50,000. Commonwealth forces from Canada, Australia, New Zealand, South Africa and Britain's colonial empire also left the ranks in their thousands. But, surprisingly, only one WWII deserter was executed for his crime. In 'Deserter', veteran reporter and historian Charles Glass gives voice to the powerful stories of three soldiers, two Americans and one Brit, who all ran from the conflict to meet with distinctly different fates. He follows each into the heat of battle, exploring the pressures that formed their decisions and the lasting impact of their choices. The result is a highly emotional and engaging study of an under-explored area of World War II history.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Lorena Streich**

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.
