Fans of European 19th century verse, thick with symbolism and multi-syllabic, will find little to love in Dan Sklars work. Sklars poetry could be characterized as American Primitive, clean and bracing as creek water. Like Whitman, Sklar celebrates the mystery and profundity of the everyday. This is guy poetry, muscularly chronicling the days and to-do list of the contemporary American male, helplessly and joyfully committed to the challenges of raising a houseful of boys, teaching sleepy-eyed college students, and handling the ignominies of manuscript rejection letters. Sklars poems tumble and sing with enormously universal appeal. -Lisa Beatman, Author of Manufacturing America This item ships from multiple locations.
