Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from British Influence on the Affairs of the United States, Proved and Explained The Treaty between the United States and Great-Britain, which was negotiated by Mr. Jay, in the year 1794, has, in respect to the immediate subjects of controversy, been satisfactorily executed; and the articles regulating the commercial intercourse of the two countries, have expired by their own limitation. The good, and the evil, which this treaty occasioned, are therefore now susceptible of a just estimate; and the present is a proper period for recalling the public recollection, to the causes and effects of a measure, which, in its inception, and during every stage of its progress, was perseveringly calumniated and opposed; and which, in consequence of inveterate prejudices, is, to the present day, a topic of party invective, against the federal administration. To those who are incapable of discovering the secret motives which govern Mr. Jefferson, and his associates of the Virginia party, it has appeared surprising, that the convention negotiated by Mr. King, in pursuance of instructions from the federal administration, should have attracted so little attention.
