

Psychosomatic Medicine: A Practical Guide (2nd Revised edition)

By Michael Blumenfield, Maria Tiamson-Kassab

Lippincott Williams and Wilkins. Paperback. Book Condition: new. BRAND NEW, Psychosomatic Medicine: A Practical Guide (2nd Revised edition), Michael Blumenfield, Maria Tiamson-Kassab, This handbook is a first-line source of essential information and practical guidelines for mental health professionals working with patients in the medical-surgical setting. Using the conversational style and case vignettes found in all "Practical Guides in Psychiatry" volumes, the authors discuss the psychiatric aspects of a variety of medical-surgical disorders, such as heart and kidney disease, oncology, the burn and trauma patient, gastrointestinal disorders, endocrine and autoimmune disorders, neurological disorders, and HIV/AIDS. Coverage includes chapters on somatoform disorders, pain management, capacity determination, psychodynamic issues and psychotherapy in the consultation-liaison setting, substance abuse issues in the medical setting, and death, dying, and bereavement. This thoroughly updated edition includes new chapters on psychiatric aspects of surgery and transplantation, women's health issues, and disaster psychiatry. "The Practical Guides in Psychiatry" series provides quick, concise information for professionals on the front lines of mental health care. Written in an easy-to-read style, these invaluable resources take you through each step of the psychiatric care process, delivering fast facts and helpful strategies that help you provide effective and compassionate care to your patients.

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

-- Audrey Lowe I

It is fantastic and great. It is really simplified but unexpected situations from the 50 % in the ebook. I discovered this ebook from my dad and i suggested this book to learn.
