Createspace, United States, 2015. Paperback. Book Condition: New. Bilingual. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.GERMAN SENTENCES Vol.2: English German THIS EDITION: The dual-language text has been arranged into sentences for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing grammar, and as a precursor to more advanced bilingual editions. Volume 2 in this series reinforces the fundamentals of the German language and introduces key new grammatical concepts. Grammar charts and notes are included, and can be used for review purposes or as a reference source. The text uses a bilingual sentence structure to tackle grammar. It can be used as an initial source for understanding German grammar, or as a way of reinforcing an alternative text on grammar. However, it can also be read in a relaxed manner without endeavouring to analyse to excess, thus learning key grammatical concepts in a somewhat passive manner. Topics include We are in Germany , In Munich , Sightseeing , At the Consulate , At the Apartment , and Telephone Calls . The book can be read in parallel text format (side by side), but can also be read only in English, or only in German. Once a student has studied the basics, a suitable book about basic grammar can be helpful. The suggestion is that any alternative grammar book be studied more with the intent of recognition and understanding, rather than memorising and obsessive rote learning. Go through as much of the grammar book you feel you can digest - maybe even the whole book - skipping over what is not easily understood. Then, read through a portion of text in this book, looking for examples of what you have picked up (or gleaned)...
