Brand New Book ***** Print on Demand *****.Excerpt from The Hunter-Naturalist: Romance of Sporting; Or, Wild Scenes and Wild Hunters The first volume of the Hunter-Naturalist is merely introductory to what I propose to make, in every sense, a progressive series of seven volumes. My cherished object in this undertaking is, to introduce within the general scope of Polite Literature, a popular Natural History: upon the production of which I have so brought to bear the latest discoveries of Science, in the application of mechanical forces to pictorial illustration, as to cheapen all their cost without any deterioration of artistic value; and bring the essential spirit of what have been heretofore as sealed books, from their excessive costliness, within eg\$ the reach of the People. Then, again, what I mean by popular is to be found in a regard of the highest sense of this vulgarized and misused term in contrast with that of the scholastic use of yet technical - a work belonging rather to the general literature than technical science of Natural History - treating of its facts as well as cognate associations. A work, indeed, aiming to be as gay as it is grave - as fanciful as it is profound - as theoretical as accurate - as full of flesh and blood as of philosophy as human as it is transcendental - as rhapsodically intoxicate as the hale air and blithe sunshine out-of-doors can make it - and just sufficiently spiced with learning not to make one mad. A work in which the Animal Kingdom shall illustrate the Spiritual, and the Spiritual the Animal, as well. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
