

Quirky, Yes - Hopeless, No: Practical Tips to Help Your Child with Asperger's Syndrome be More Socially Accepted

By Cynthia La Brie Norall

Griffin Publishing. Paperback. Book Condition: new. BRAND NEW, Quirky, Yes - Hopeless, No: Practical Tips to Help Your Child with Asperger's Syndrome be More Socially Accepted, Cynthia La Brie Norall, In "Quirky, Yes - Hopeless, No", Dr. Cynthia La Brie Norall and Beth Brust present short lessons, structured around specific topics from A-Z that address the social challenges faced by Asperger's children and teens. Since everyday 'people skills' do not come naturally to children with Asperger's, they need training in such simple activities as: how to greet others and make eye contact; how to let go and move on to new tasks; how to cooperate and ask for help; how to pay compliments; how to discern someone's true intentions; how to handle teasing and bullying; and, how not to be rude. Based on Dr. Norall's twenty years of experience diagnosing and treating thousands with Asperger's, this book will share her insights gained from helping so many friendless Asperger's children become more approachable, less stuck, and finally able to make, and keep, a friend or two.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
