This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Excerpt: .said to be the oldest town in Germany, was the capital of the Treviri, a tribe of Belgic Gauls, conquered B. C. 56 by Cresar, who converted it into a Roman colony, under the name of Augusta Trevirorum, afterwards the occasional residence of the emperors. Under Constantine the Great it was the capital of Gaul, and as a cradle of art, science, and commerce, became as it were a rival of Rome herself. On the introduction of Christianity by Constantine, Agrius of Antioch was elected first bishop of Treves, which for nearly fifteen centuries continued to be the residence of the bishops, archbishops, and electors, till Clemens Wenceslaus, the last elector, transferred his residence to Coblenz in 1786. In 1794 the French took the town, which became the chief town of the department of the Saar. It was made over to Prussia in 1815. The most remarkable and best preserved of the antiquities of Treves is the Porta Nigra, to the study and examination of which we devoted a whole day. This magnificent ruin, situated at the northerly extremity of the town, has been and is still the subject of endless discussion as to its origin and antiquity, some enthusiastic native archaeologist having even tried to discover traces of Celtic or Etruscan workmanship, --a theory totally unsustainable. Later works, more worthy of serious consideration, ascribe its construction to either Constantine or Gratian (fourth century), an opinion adopted by M. de Saulcy, in an account of...
