A Tract of Great Price: A Manuscript of Alchemy

By Unknown Author

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm.

Language: English . Brand New Book ***** Print on Demand *****.Originally entitled The True Teaching of Philosophy Concerning the Generation of Metals and their True Origin , this alchemical manuscript lists no specific author, first being rendered in the 1400s and providing a largely philosophical counterpart to the more hands-on approach of much Renaissance era alchemical lore. Credited to a random Sage instead of a named individual, it may instead be part of a collective philosophical tradition. Through the theories and philosophy here listed, alchemy is said to be quite literally possible, both with transmutation and other practices.

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
