Globalization, free trade and privatization have brought about many positive and negative impacts on rural development. This article tries to focus on three major impacts of globalization on rural development such as impact on environment, poverty and women. In responding to the research questions that how globalization affected environmental degradation, what impact it has done on poverty reduction and women in Bangladesh, the author used a combination of both quantitative and qualitative methods. From the content analysis it was observed that globalization has seriously affected environment such as land degradation; deforestation; soil erosion; soil fertility loss; water logging; salinity and toxification of soils; damage and destruction of coral reefs, mangroves, fisheries; loss of bio-diversity and ecosystem; pollution of air and water bodies etc. that caused huge environmental disasters...
