THE LUCK UGLIES

[DOWNLOAD](#)

HarperCollins, United States, 2015. Paperback. Book Condition: New. Petur Antonsson (illustrator). Reprint. 190 x 130 mm. Language: English . Brand New Book. The first in a series with the makings of a modern classic, *The Luck Uglies* is an irresistible cross between Joseph Delaney's *The Last Apprentice* and Chris Colfer's *Land of Stories* series, overflowing with adventure, secrets, friendship, and magic. Rye O Chanter has seen a lot of strange things happen in *Village Drowning*: children are chased through the streets. Families are fined for breaking laws that don't even exist. Girls aren't allowed to read anymore, and certain books that hold secrets about *Drowning's* past have been outlawed altogether. Now a terrifying encounter has eleven-year-old Rye convinced that the monstrous, supposedly extinct Bog Noblins have returned. Before the monsters disappeared, there was only one way to defeat them: the Luck Uglies. But the Luck Uglies have long since been exiled, and there's nobody left who can protect the village. As Rye dives into *Drowning's* maze of secrets, rules, and lies, she begins to question everything she's been told about the village's legend of outlaws and beasts . . . and what she'll discover is that it may take a villain to save them from the monsters. This critically acclaimed debut middle grade novel was named an ALA Notable Book and a New York Public Library Title for Reading and Sharing and won the Cybil Award for Middle Grade Speculative Fiction.
