Extended Stay Florida is a supernatural story deeply rooted in the mysteries of old Hollywood. In the days of silent film, a scandalous love triangle left its mark on Hollywood. In the early days of film, Cora Merlot was the It Girl. With the world at her fingertips, she leads a glamorous life of excess. Despite her glamorous star quality, she's attracted to dangerous men like notorious criminal Diamond Jack Malone. After starring in The Night of the Phantom one of the first silent horror films, she disappears. Her opportunistic rival for Jack's affections is found dead on the floor, drained of blood. Believers in the occult theorize that the members of this scandalous Hollywood love triangle were involved in a deadly blood drinking cult. After his parents have car trouble, Eric Van Duesen finds himself on an extended Florida vacation at a fading hotel. After dropping out of college, he's not sure who he wants to be. When he meets the mysterious woman in room number seven, he's mesmerized by her. She's not like anyone he's ever met. He's not ready to believe her dark confession, but he's snagged by the intrigue. She's hiding something more, but the closer he gets, the more perilous things become.
